Error: Can't save forms in myForms

- Idea 1: In Internet Explorer- Click: *Tools*, *Internet Options*, *Advanced* (tab), Scroll down to the Security section and make sure "Do not save encrypted pages to disk" is NOT checked.

- Idea 2: Delete temporary internet files, Instructions: https://militarycac.com/makeyourcacwork

- Idea 3: In Internet Explorer- Click: *Tools*, *Internet Options*, *Content* (tab), *Clear SSL State*

- Idea 4: Go to slide 2

Idea 4: In Internet Explorer – Click: *Tools, Internet Options, Programs* (tab), *Manage add-ons* (button), make sure *IBM Forms Viewer Helper* is **Enabled** (see image below)
